G E

G

Last night I took a walk in the dark

E

To a place called Palisades Park

C

D

To have some fun, to see what I could see, that s where the girls are

I took a ride on the shoopyt shoop

The girl I sat with almost, almost puked

And when it stopped, she was holding hands with me

C

My arms were flying up, like a rocket ship

E

Down, like a roller coaster

C

Fast, like a loopy loop

D

Then around, like a merry-go-round

We even at a hot dog stand

Slam danced to a rockin band

And when she winked, I gave that girl a hug, in the tunnel of love

C

You ll never know how good it just can feel

E

Til it stops at the top of the ferris wheel

C

D

I fell in love, down at Palisades Park

Last night I took a walk in the dark...

I took a ride on the shoopyt shoop...

My arms were flying up, like a rocket ship...

We even at a hot dog stand...

You ll never know how good it just can feel...
