Last night I took a walk in the dark

**E**

To a place called Palisades Park

**C**

**D**

To have some fun, to see what I could see, that s where the girls are

I took a ride on the shoopyt shoop

The girl I sat with almost, almost puked

And when it stoped, she was holding hands with me

**C**

My arms were flying up, like a rocket ship

**E**

Down, like a roller coaster

**C**

Fast, like a loopy loop

**D**

Then around, like a merry-go-round

We even at a hot dog stand

Slam danced to a rockin band

And when she winked, I gave that girl a hug, in the tunnel of love

**C**

You ll never know how good it just can feel

**E**

Til it stops at the top of the ferris wheel

**C**

**D**

I fell in love, down at Palisades Park

My arms were flying up, like a rocket ship...

We even at a hot dog stand...

You ll never know how good it just can feel...
