          C#5     E5      C#5         E5
You know that life really takes its toll
        C#        E           A5          B5
And a poet s gut reaction is to search his very soul
 C#             E5        C#5         E5
So much damn confusion before my eyes
        C#5             E5          A5              B5
But nothing seems to phase me and this one still survives

I just want to walk right out of this world

  Cause everybody has a poison heart

I just want to walk right out of this world

        A5      B5
  Cause everybody has

        C#5     B5
a poison heart     (7x)
        A5
A poison heart

( A5 B5  C#5 )
