She Talks To Rainbows
Ramones

Em

Em
She s a lost little girl in her own little world
She looks so happy but she seems so sad
G
Oh yeah oh yeah
Em
She s a lost little girl in her own little world
I d like to help her I d like to try
G   **D**
Oh yeah oh yeah

                    Em   **G**
   She talks to birds she talks to angels
                    D   **C**
   She talks to trees she talks to bees
                         Em
   She don t talk to me
                  G   **D**
   Talks to the rainbows and to the seas
                  C   **Em**
   She talks to trees she don t talk to me
   Em
   Don t talk to me

      Em
   You know she drives me outta my mind
                  D   **C**
   You know she drives me outta my head
   Em
   You know she drives me outta my mind
                  D   **C**
   You know she drives me outta my head

   She talks...

She s a lost...

   She talks...

                    Em   **G**
   She don t talk to me, don t talk to me
                         D   **C**
   She don t talk to me, don t talk to me
