

Take The Pain Away

Ramones

(intro 2x) **D F Bb C D F C**

D F Bb C D F C

I went out today for a walk in the rain
I was so sad and blue I could feel any pain
I was worried about everything my head began to howl
I m running away from myself, there s too may demon s around here now

D Bb C D Bb C D Bb C Bb

Everybody I don t know what to say I wish I could take the pain away
Everybody I don t know what to say I wish I could take the pain away

C

But hta can t happen everybody knows it s true
And if you have to know I ll never understand you
So if you have to go you better go now
Go off somewhere safe I hope you will somehow

Everybody...
