

The Shape Of Things To Come  
Ramones

**F#** [ bend low **F#** on guitar down]

[ **F#** **A** **B** **C#** ]

**F#** **A**

There s a new sun

**B** **D**

Risin up angry in the sky

**F#** **A**

And there s a new voice

**B** **C#**

Saying we re not afraid to die

**F#** **E**

Let the old world make believe

**F#** **B**

It s blind and deaf and dumb

**F#** **E** **Eb** **D** **F#**

But nothing can change the shape of things to come

**C#**

There are changes

Lyin ahead in every road

And there are new thoughts

Ready and waiting to explode

When tomorrow is today

The bells may toll for some

But nothing can change the shape of things to come

The future s comin in, now

**A**

Sweet and strong

**B**

**C#**

Ain t no-one gonna hold it back for long

There are new dreams

Crowdin out old realities

There s revolution

Sweepin in like a fresh new breeze

Let the old world make believe

It s blind and deaf and dumb

**F#**

**E**

**Eb**

**D**

But nothing can change the shape of things

Nothing can change the shape of things

Nothing can change the shape of things

Nothing can change the shape of things

**F#**

To come
