

You Didn't Mean Anything To Me
Ramones

C **F** **A**

You didn t mean anything to me

F **C** **A**

You didn t mean anything to me

[riff]

D **E** **A**

Skies were cloudy everyday

Nothing wanted to grow

We had our last chance

D **A**

I think I told you so

D **E** **A**

Every dinner was crummy

Nothing was on T.V.

I was ready to pack it up

D **A**

Our heads were so achey

F **C** **A**

You didn't mean anything to me

C **F** **A**

You didn't mean anything to me

[riff]

We got to get away

Another lawn to mow

We had our last chance

I think I told you so

Ever dinner was crummy

Even the ones for free

I was ready to pack it up

Forget the agony

F **C** **A**

You didn't mean anything to me

C **F** **A**

You didn't mean anything to me

[riff]

Everybody was cranky

Even the maids were mean

We ran into a miracle

There was beer in the soda machine

Every dinner was crummy

Even the ones for free

I was ready to pack it up

Forget the agony
