

## First Song

### Ramshackle Glory

Intro:

C E F C

C E F G

C E F C

No one needs to tell me how to g-g-get down

C E F G

But won't somebody show me how to get back up

C E F G

I thought about killing my landlord but he was pretty nice

C E F G

Instead I paid my rent on time as often as I could

F G

I've been making strange friends in the desert

E F

Yeah they love Jesus and America too.

G X

It ain't as bad as it sounds, someday I'll explain it to you

INTRO

C E F C

It's not that I mind sleeping alone in the grass

C E F G

It's just that I've been dreaming since well maybe I ain't woke up yet

C E F G

But nothing's been quite the same since you shot yourself

C E F G

I don't know if you believe in ghosts I'd hope you'd haunt me if you were one

F G

I've been trying not to steal from everybody I know

E F

But so far that's impossible

G C

But here in the desert somehow I hope that someday it won't

E F C

Be that way for me

C E F G

No it won't be that way for me anymore
