

**More About Alcoholism**  
**Ramshackle Glory**

[Intro]

**Eb Eb G# C#** x3  
**Bb Bb Bb G#**

Repeat x2

[Verse 1]

**Eb** **Fm**  
This car is a war machine that runs on nicotine and gasoline.  
**G#** **Bb**  
Donâ€™t you fucking know this is the wrong side of the road?  
**Eb** **Bb** **Cm** **G#**  
Who needs brakes when itâ€™s all down hill from here?  
**G** **G#** **Bb**  
And if we ainâ€™t died yet, then just maybe we never will.

[Chorus]

**Eb** **F#** **G#** **B** **C#**  
But i donâ€™t wanna burn out, so wonâ€™t you please set me on fire again?  
**Eb** **F#** **G#** **B** **C#**  
I woke up afraid of losing everything; thank god that I already have.  
**Eb** **F#** **G#** **B** **C#**  
So if you love me then listen: mind your own fucking business!  
**Eb** **F#** **G#** **B** **C#**  
If you love me enough to stay, then please love me enough to stay away.

[Pre-Verse]

**Eb Eb G# C#** x3  
**Bb Bb Bb G#**

Repeat x2

[Verse 2]

**Eb** **Fm** **G#**  
I swear on my last cigarette that Iâ€™d love you my darling.  
**Bb**  
Iâ€™d love you if I could.  
**Eb** **Fm** **G#**  
But since the day I was born, itâ€™s been too late for me to be  
**Bb**

Anything but what I am tonight.

**Eb** **Bb** **Cm** **G#**  
And what I am is drunk, and what I am is mean, in your passenger seat.  
**G** **G#**  
Seat belts are for people who have time to die;  
**Bb**  
Hell, I donâ€™t even have time to sleep.

[Chorus]

**Eb** **F#** **G#** **B** **C#**  
Because I donâ€™t wanna miss a moment of loathing everything that I see.  
**Eb** **F#** **G#** **B** **C#**  
I stay up nights afraid of everything, till all thatâ€™s left is the shadows and  
me.  
**Eb** **F#** **G#** **B** **C#**  
Ask me from sunrise to sunset: no, I ainâ€™t left the house yet.  
**Eb** **F#** **G#** **B** **C#**  
I finally love you enough to stay, enough to stay away.

[Pre-Verse 2]

**Eb Eb F# B** x3  
**Eb Eb F#**

[Verse 3]

**Eb G G# Bb**  
Aw, shit, I wish I had a job to quit.  
**Eb G G# Bb**  
I wish I had a boss that I could tell to fuck off.  
**Eb G G# Bb**  
Give me the satisfaction of a dramatic exit, and not just  
**Eb G G# Bb**  
A long car ride and a short goodbye in a parking lot.

[Outro]

**Eb Eb G# C#**
