Tuning: Standard

           Bm
The years went by

And we lost sight
            G
Of the guys back then

We used to rule the night

          A
And still I never will forget

Or will regret
    F#m
Those times that we had

          Bm
We were the kings of night

As we stood side by side
           G
We used to rock the place until the early light

         A
I remember how we sang along

To every song
    F#m
Those times, they are gone

       G
But still, I feel
       A
I miss those days
         Bm

We spent together

Yeah-yeah-yeah

```
          G                 A
Sometimes I wish I could turn back time
     Bm
And be there once again
          G                 A
And in my head I see the pictures
   F#m               Bm
Of how we used to be
```

```
           G
So one thing will remain
      A                   F#m                Bm
 Cause I still love the memories of those days
```

```
        Bm
We were young

Living for the moment
      G
Never thinking about tomorrow

About the things to come
```

```
        A
We were careless

Living for the music
  F#m
Untouchable

 Cause we were sent together as one
```

```
        Bm
We were strong

Depending on each other
       G
It was us against the world

We played it by our rules
```

```
         A
We were fearless

Living like a rebel
   F#m
Unbreakable

  Cause we were sent together as one
```
