Rancid - Let Me Go

By:Andrew Mcshan(Guitarguyx182@aol.com)

Verse

C **Bb** **F**
It ain t impossible it ain t easy
C **Bb** **F**
Opportunities shifting here
C **Bb** **F**
So far the strategy aint working
C **Bb** **F**
The facts are in its so very clear

C **Bb** **F**
I do what I want I cant predict the future
C **Bb** **F**
And those who can I know that they are lying
C **Bb** **F**
And then the truth can be hard to swallow
C **Bb** **F**
In a soap opera world leaders are crying

Chorus

F **Bb** **C**
Correction I need no direction
F **Bb** **C**
Oh let me go just one last time
F **Bb** **C**
I spent my whole life searching for direction
C **Bb** **F** **G**
Oh let me go just one last time

Verse

C **Bb** **F**
Ah you can burn a book if you dont like the answers
C **Bb** **F**
Or join forces with an axe to grind
C **Bb** **F**
Ah USA protecting your cancers
C **Bb** **F**
A list of hatred easy to find
C **Bb** **F**
Well there s a growing sentiment in America
C **Bb** **F**
If you listen closely you can hear them all
C **Bb** **F**
Right is right wrong is wrong and the evil
C **Bb** **F**

Considered bad behaviour

C Bb F , F G , C Bb F

Bad generation polarized view

No one leaves home to go and help you

Watch CNN and then you know

US bombs come down, what you gonna do

Boom boom boom look around

Theres no more roof no more house no street no town

Shot down burned black and brown

Electrical meltdown you hear the sound

Of the US bombs all around

Ah its a shakedown its a breakdown

Atomic sundown and then you know
