

New Orleans
Rancid

Capo 1

[Verse]

C
Well I went south
F **C**
With a case of survival
C
To amend my heart
G **C**
that s paper thin
C
You see I felt her words
F **C**
and her images filed
Am
I m gonna carry my
G **C**
heart to New Orleans
C
I have no home to go
F **C**
So I wander awhile
C
From coast to coast
G **C**
From sin to sin
C
From the coldest shores
F **C**
To the warmest islands
Am
Been around the world
G **C**
Back to New Orleans

[Chorus]

G
Well she s got pride
F **C**
Like a million lions
G
she s got a scar
F **C**
on her velvet face
F
she s got a smile

like a newborn child

Am

she s gotta walk,

G C

a Stoic Grace
