Olympia WA by Rancid

This is it. Don t start to question this, this is how it is without
question.
These are all bar chords. For each verse, there s two series of sixteen
3-beat palm mutes.

VERSE:

[D]Hangin out with Lars down on [C] 6th street
He knew that I was in [B] trouble
I was feeling much like the [A] devil
There was something burning deep inside of [G] me
Ran into three Puerto [C] Ricans
These girls took us to the [B] funhouse
Where we [A] played a lonely [G] pinball machine [D]

CHORUS:

[C] Hangin on the [D]corner of [G] 52nd and [B] Broadway
[C] Cars passin [D] by but [G] none of them seem to go [B] my way
[C] New York [D] City -- Well I [G] wish I was on the [B] highway
Ba[C][G]ck to Oly[D]mpia...

VERSE:

I m having a hard time understanding
It gets all too demanding
She s all gone and I m stranded
Something burning deep inside of me
All I know it s 4 o clock and
She ain t never showed up and
I whatched a thousand people go home from work

CHORUS

VERSE:

How many times will it take me
Before I go crazy

Before I lose everything
Something burning deep inside of me
Ran into three Puerto Ricans
Those girls took us to the fun house
I don t want to be alone again.

CHORUS
