Come on baby won t you show me what you got there

D E

I want your salvation whoah

A D E D

There s a neighborhood called Blackhawk where all the rich people hide

A D

I was down on my luck working for the Salvation Army

E D

The shelter is where I reside

A D E D

Everyday we drive into Blackhawk and pick up the offerings

A D E D

Microwave ovens refridgerators for the suffering

A

Come on baby won t you show me what you got there

D E

I want your salvation whoah

A

Come on baby won t you show me what you got there

D E

I want your salvation whoah

A D E D

I can t believe these people live like kings

A D E D

Hidden estates and diamond rings

A D E D

I m a rat out on a mission

A D E D

I m in your front yard under suspicion

A

Come on baby won t you show me what you got there

D E

I want your salvation whoah

A

Come on baby won t you show me what you got there

D E

I want your salvation whoah

Come on baby won t you show me what you got there
I want your salvation whoah
Come on baby won t you show me what you got there
I want your salvation whoah

I can t believe these people live like kings
Hidden estates and diamond rings
I m a rat out on a mission
I m in your front yard under suspicion

Come on baby won t you show me what you got there
I want your salvation whoah
Come on baby won t you show me what you got there
I want your salvation whoah

Solo Again

Come on baby won t you show me what you got there
I want your salvation whoah
Come on baby won t you show me what you got there
I want your salvation whoah
