

Anything Goes

Randy Houser

[Verse]

C **G**
Normally this time of night you wouldn't find me here
F **G**
I'd be reaching for a good night kiss, instead of one beer
C **G**
I'd never take a second look at the blond across the bar
F **G**
Much less invite her over and let things go this far

[Chorus]

C **E7**
But anything goes when everything's gone
Am **E/G#** **G** **D**
You ain't around to give a damn whether I do right or wrong
C **G** **F**
G
So bring it on, anything goes when everything's gone

[Verse]

Another morning after a crazy night before
I'm searching for my blue jeans, on a stranger's bedroom floor
Well, shouldn't I feel guilty, well I don't feel a thing
I'd wake her up and say goodbye, but I can't recall her name

[Chorus]

C **E7**
But anything goes when everything's gone
Am **E/G#** **G** **D**
You ain't around to give a damn whether I do right or wrong
C **G** **F**
G
So bring it on, anything goes when everything's gone

[Bridge]

Am **E/G#** **G** **D**
If you'd lifted a single thread for me to hold on to
Am **E/G#** **G** **D**
I'd have a good reason not to do the things I do

[Chorus]

C **E7**
But anything goes when everything's gone
Am **E/G#** **G** **D**
You ain't around to give a damn whether I do right or wrong
C **G** **F**
G

So bring it on, anything goes when everything s gone

[Outro]

G
