

**Lets Not Let It**  
**Randy Houser**

Intro: D x4

**D**

That sun is gonna set, let s not let it

**G**

Another day is gonna end, let s not let it

**D**

That moon is gonna look down

On you and me with that old frown

**G**

Wishing we d have worked this thing out

**G** - let ring

Right here right now

-chorus-

**D**

Let s not let something

We ll probably laugh about tomorrow

**G**

Take us to that place where so many who give up go

**Bm**

We can quit and we can try

**A**

Love can live and love can die

**D** -break-

If we let it so baby let s not let it

D x2

**D**

So we get fight and mad, well who hasn t

**G**

Yeah and it won t be the last time it happens

**D**

Girl we ve gotta hang tough

Let s find out what we re made of

**G**

It s gonna rain and get rough

Well so what, that s love

**D**

Let s not let something

We ll probably laugh about tomorrow

**G**

Take us to that place where so many who give up go

**Bm**

We can quit and we can try

**A**

Love can live and love can die

**D**

If we let it so baby let s not let it

Solo
