(Randy Meisner/Eric Kaz)
From ~SOne More Song~T by Randy Meisner

A
Had myself a tall one

Waitin at the bar

Wasn t gonna leave her
F#m
Till I had her in the car

A
Moon was growing bright
D
Stars were standing still
F#m - E
Waiting for my baby
A
In the cold December chill

F#m
I been achin
A
From desire

F#m
D **C#m** **Bm**
Her Blood s running like a ragin river

E **A**
But her heart s on fire

A
Couldnt write a letter
Cause I don t know what to say

Couldnt write a song
F#m
Cause I don t know what to play
A

Come a little closer

D

Better hold me tight

F#m - E

Gonna roll on down the highway

A

And rock on with my baby all night
