

Goodbye Rain
Randy Montana

Capo on 3 standard tuning

Intro: **G D** x2

G **D**
It was coming down, I was packing up the car
G **D**
No room for my chair or my old guitar
G **D**
So quick check, got my wallet, got my cigarettes
Bm
Got everything I need to get out of this town

G **D**
Nothing on my mind now but moving on
G **D**
Get a little road between you and me, and right and wrong
G **D**
Lord, itâ€™s better already, it just donâ€™t seem so heavy
Bm
In this midnight, moonlight, shining like a spotlight

G **D**
Ninety miles an hour like a bullet
G **D**
Like a one-way fast train out of this pain
G **D** **Cadd9** **Em7** **G**
Ooh yeah, donâ€™t it feel good to just run away
D **G** **D**
Goodbye rain, goodbye rain

G **D**
I can only hope and pray I havenâ€™t seen my best day
G **D**
And itâ€™s around the next corner just beyond the grey
G **D**
Cause Ive been everywhere, seen everything Ive ever seen
Bm
Out the window of this getaway Grand Am

G **D**
When this rearview heartache catches up again
G **D**
And I draw the same card, the same old losing hand
G **D**
Iâ€™ll get the wind against my back, be like a firecracker
Bm

Just another bitter end gone again before the storm sets in

G **D**
Ninety miles an hour like a bullet
G **D**
Like a one-way fast train out of this pain
G **D** **Cadd9** **Em7** **G**
Ooh yeah, donâ€™t it feel good to just run away
D **G** **D**
Goodbye rain, Goodbye rain
