Marie - Randy Newman

Tabbed by Atavener

**F7**

You looked like a princess

**Eb7**                      **Bb**

The night we met

**Eb**

With your hair piled up high

I will never forget

**F#M**                                      **C7**

I m drunk right now baby

**Eb7**                                      **Bb**

But I ve got to be

**F#M**                                      **C7**

I never could tell you

**Eb7**                                      **Bb**

What you mean to me

**Bb**    **C7**

I loved you the first time I saw you

**Fsus4**    **Csus2**                      **C**

And I always will love you Marie

**Bb**    **C7**

I loved you the first time I saw you

**Fsus4**    **F**                                      **Bb**

And I always will love you Marie

**F7**

The song that the trees sing

**Eb7**                                      **Bb**

When the wind blows

**Eb**

You re a flower, you re a river

You re a rainbow

**F#M**                                      **C7**

Sometimes I m crazy

**Eb7**                                      **Bb**

But I guess you know

**F#M**                                      **C7**

I m weak and I m lazy

**Eb7**                                      **Bb**

And I hurt you so

**F#M**            **C7**

I don t listen

**Eb7**                    **Bb**

To a word you say

**F#M**                    **C7**

And when you re in trouble

**Eb7**                    **Bb**

I turn away

**Bb**

But I love you                    **C7**

I loved you the first time I saw you

**Fsus4**                    **Csus2**        **C**

And I always will love you Marie

**Bb**                                    **C7**

I loved you the first time I saw you

**Fsus4**                    **F**                    **Bb**

And I always will love you Marie
