

Damn The Rain
Randy Rogers Band

Verse 1

G **Cadd9**
She loved the rain more than just about anything at all
G **Cadd9**
The way it washed her clean, the way it cooled everything off
G **Cadd9**
She used to run around in it like a wild child, gettingâ€™ soaked to her bare feet
G **Cadd9**
It came down in buckets the summer that she left me
Chorus

Em Cadd9 G D Em Cadd9 G D
Damn the rain, for makinâ€™ me remember all the pain of losing everything
Am Am/C C
I still miss her touch, still love her too much to ever curse her name
Em Cadd9 G D
So I damn the rain

Verse 2

G **Cadd9**
I used to watch it splash off the windowpane from her side of the bed
G **Cadd9**
Morningâ€™s just like this one when the leaves were gold and red
G
It was hidinâ€™ the tears runninâ€™ down her cheeks
Cadd9
when I heard the last words she said
G
I shoulda taken the blame, I shoulda begged her to stay
Cadd9
but my pride won out instead

Repeat Chorus

Damn the rain
Am Am/C C
The storms roll through, the memories too sheâ€™s gone just the same

Repeat Chorus

Em Cadd9 G D
Damn the rain
Em Cadd9 G D
Damn the rain
Em Cadd9 G D
Damn the rain
