IF I TOLD YOU THE TRUTH
RANDY ROGERS BAND
JUST A MATTER OF TIME
Tabbed By: Stoney

C#m **A** **E**
Well, here we go again with the back and forth
C#m **A** **E**
Trying to open up the same closed door
A **E** **A** **E**
Well, I wear my pride, you hide your pain
A **C#m**
We both know there s no winning
B
But we still play the game

Chorus:

A **C#m**
If I told you that I need you
B **E**
Would you run or stay with me?
A **C#m** **B**
Would you steal my heart again and set me free?
A **C#m**
If I told you I would never leave you
B **E**
Would you come unglued?
A
What would you do?
B **E**
If I told you the truth

Some old reasons, same excuses and lies
We ve said it all before with the same goodbye
I can t let you leave me
You won t let me go
Before we do this again, there s something you ought to know

Repeat Chorus

C#m
And I can t take away the past
A
But I can t give up on us
F#m **B**
I just hope that all I am will someday be enough

Solo

Repeat Chorus

What would you do?

If I told you the truth
