

In My Arms Instead
Randy Rogers Band

Capo II

[Intro]

Am C/B C G D

[Verse]

D

All the leaves have turned to rust

The air is getting thin, I can see my breath

The night is rollin in

The sky is grey, its cold as as stone

Its just the kind of day I cant stand to be alone

[Chorus]

Am
Cuz you

you ve been on my mind

I wish you were here beside me tonight

lying in this bed cuz I

I m just not the same

I walk down these streets I swear I here your name

Its just in my head, wish you were in my arms instead

[Verse 2]

Wasn t thinking about you, when I thought I saw you re car

You cant escape me for long, yeah I never get too far

You re everywhere I go, cause you re everywhere Ive been

You re everything Ive wanted and I want it back again

(Repeat Chorus)

[Bridge]

G **C** **G**
I have to find a way, that s just how it is
D
I m stuck here in this place
