

Ive Been Looking For You So Long
Randy Rogers Band

Capo 2

D **Em** **C**
Trying to find my way around here but thereâ€™s no street signs in this town
D **Em** **C** **G**
Itâ€™s getting dark, I can hardly see â€™cause all the lights are burned out
D **Em** **C**
I tried to stop somewhere and ask but all the stores are closed down
Am **D**
Where the hell am I, Where in the hell are you tonight

Chorus:

G **Dm**
Iâ€™ve been looking for you so long
C
Down every road Iâ€™ve been on
G **F**
Every empty glass and every jukebox sad song
G **Dm**
Iâ€™ve been lying to myself
C
And everyone can tell
G
Since youâ€™ve been gone
F **G**
Iâ€™ve been looking for you so long

I know Iâ€™m the reason why your shattered heart is on the run
Doubt I deserve a second chance but Iâ€™d do anything to get one
The more I try to get back to you, the more it all comes undone
Where the hell am I, Where in the hell are you tonight

Repeat Chorus

Bridge:

C **Em**
Iâ€™m lost, Iâ€™m trying to find you here
C
In someone elseâ€™s town
Am
In the middle of nowhere, out of gas
C **G**
Watching people pass me by

Repeat Chorus
