Kiss Me In The Dark
Randy Rogers Band

[Intro]

Ebm F# C# B (x2)

[Verse]

Ebm   B   F#
Sailors sail, cowboys ride,
        C#   **Ebm**
lovers love when they get the chance
          B   **F#**
Take it slow, turn down the light,
         C#   **Ebm**
soft and low let the shadows dance
        B
Baby, don t hold back

[Chorus]

                    Ebm
  Kiss me in the dark,
                        B
  roll me through the night
  C#   **F#**
  Hold me like you ll never let me go
  C#   **Ebm**
  Hit me with your heart,
                    B
   til the morning light
          C#   **B**
  Let your skin talk to my soul
                    Ebm
  Kiss me in the dark

[Verse]

Ebm   B   F#
Strip away everything,
              C#   **Ebm**
tonight there s nothing getting in our way
          B   **F#**
The ties that bind, the where s and why s
        C#   **Ebm**
Take em off and leave em all outside

```
          B
Lock it all outside

[Chorus]

               Ebm
  Kiss me in the dark,
                        B
  roll me through the night
  C#                              F#
  Hold me like you ll never let me go
  C#                  Ebm
  Hit me with your heart,
                   B
   til the morning light
          C#                B
  Let your skin talk to my soul
                    Ebm
  Kiss me in the dark

[Bridge]

C#
Without a single word,
Ebm
baby we can say so much
B                       C#        B6
Reveal everything with just one touch

[Chorus]

               Ebm
  Kiss me in the dark,
                        B
  roll me through the night
  C#                              F#
  Hold me like you ll never let me go
  C#                  Ebm
  Hit me with your heart,
                   B
   til the morning light
          C#                B
  Let your skin talk to my soul
                    Ebm
  Kiss me in the dark

Kiss me in the dark
Yeah
```
