

**Missing You Is More Than I Can Do**  
**Randy Rogers Band**

**A** **A** **D**  
Bright lights and big city nights, drove you right outta town,  
**Bm** **E** **D** **A**  
I watched you leave with a smile on your face, knew i could never tie you down  
**A** **A** **D** **D**  
Got settled down at the seashore inn, & you made some new friends on your own,  
**Bm** **E** **D** **A**  
Now its been two years and im not quite sure, but i dont think youre comin home  
**F#m** **Bm** **E** **A**  
While youre starin at the stars tonight, im all wrapped up and blue..

(chorus)

**Bm** **E** **A** **F#m**  
If i had it my way, id be on that train to L.A.  
**Bm** **E** **A**  
Cause i never met, somebody quite like you,  
**Bm** **E** **A** **F#m**  
And i think it would be awesome, if youd get on that plane to austin  
**Bm** **E** **A**  
Maybe missin you is more than i can do

**A** **A** **D**  
We both knew it was long overdue when you finally got your break  
**Bm** **E** **D** **A**  
Now you get to see the world and im so proud, everybody knows your name  
**A** **A** **D**  
Dont take this wrong cause i know you belong, out there on that stage....  
**Bm** **E** **D** **A**  
But i swear if my life were an open book, it would be missin a page  
**F#m** **Bm** **E** **A**  
While the sun sets, in hollywood hills my heart is broken in two..
