

Somebody Take Me Home
Randy Rogers Band

(Intro)

A Dbm D

(Verse 1)

A Dbm D

Same old bedroom floor
Some old empty sheets
I hate this haunted bed
So down here is where I sleep

(Verse 2)

I tried to find a place
To hide what you had left
Somethings never change
My heart hasn't yet

(Chorus)

E F#m D

I don't wanna go out tonight

A E

Yeah but I can't be alone

F#m D

Standing underneath this broke street light

E F#m

Can somebody take me home

E

Somebody take me home

(Verse 3)

The hope that we had left
I wrapped around your ring
That river just rolled on by
When I watched it sink

(Chorus)

(Bridge)

D

Out of this bar, out of this heartache

F#m E

Out of this world, I just keep breaking down
I keep breaking down

(Chorus)

(Outro)
