RANDY TRAVIS - ANGELS AMONG US

Intro: **A - D**

**A**

I was walking home from school

**D**

on a cold winter day,

**A**

took a shortcut through the woods

**E**

and I lost my way,

**A**

It was getting late

**D**

and I was scared and Alone,

**A**

but then a kind old man

**E**

took my hand and lead me home

**D**

**A**

Now momma couldn't see him,

**D**

**E**

oh but he was standing there,

**D**

**A**

and I knew in my heart

**D**

**E**

he was the answers to my prayers

[Chorus]

**A**

**D**

**E**

Oh, I believe there are angels among us,

**A**

**D**

**E**

Sent down to us from somewhere up above.

**A**

**D**

They come to you, and me

**E**

in our darkest hours,

**D**

**A**

to show us how to live,

**D**

**E**

to teach us how to give.

**D**

**E**

**D**

**A**

To guide us with the light of love.

Intro: **A - D**

**A**  
When life held trouble times  
**D**  
and had me down on my knees  
**A**  
there has always been someone

**D** **E**  
to come along and comfort me

**A**  
a kind word from a stranger

**D**  
to lend a helping hand

**A**  
a phonecall from a friend

**D** **E**  
just to say I understand

**D** **A**  
But ain't it kinda funny

**D** **E**  
at the dark end of the road

**D** **A**  
that someone lights a way

**D** **E**  
with just a single ray of hope

[Chorus]

**A** **D** **E**  
Oh, I believe there are angels among us,

**A** **D** **E**  
Sent down to us from somewhere up above.

**A** **D**  
They come to you, and me

**E**  
in our darkest hours,

**D** **A**  
to show us how to live,

**D** **E**  
to teach us how to give.

**D** **E** **D** **A**  
To guide us with the light of love.

**D** **A**  
There were so many faces

**D** **A**  
that show up in the strangest places

**D** **E**  
that grace us with their mercy

**D** **E**  
in our time of need

[Chorus]

**A** **D** **E**  
Oh, I believe there are angels among us,  
**A** **D** **E**  
Sent down to us from somewhere up above.

**A** **D**  
They come to you, and me  
**E**  
in our darkest hours,  
**D** **A**  
to show us how to live,  
**D** **E**  
to teach us how to give.  
**D** **E** **D** **A**  
To guide us with the light of love.

**D** **E** **D** **A**  
To guide us with the light of. . . . love.
