

**D**                  **G**                  **D**  
They say that time can play tricks on a memory  
                  **G**  **D**  
Make people forget things they knew  
                  **G**  **D**  
But it s easy to see it s happening to me  
                  **E**  **A**  **D**  
I ve already forgotten every woman but you --- Oh darlin

As long as old men sit & talk about the weather
