

I Told You So
Randy Travis

Standard Tuning
No capo

Verse

G **D**
Suppose I called you up tonight and told you that I love you
C **D** **G**
And suppose I said I wanna come back home
C **G** **Em**
And suppose I cried and said I think I finally learned my lesson
Am7 **D**
And I m tired of spending all my time alone.
G **D**
If I told you that I realize you re all I ever wanted
C **D** **G**
And it s killing me to be so far away
C **G** **Em**
Would you tell me that you love me too and would we cry together
Am7 **D**
Or would you simply laugh at me and say

Chorus

C **G** **D** **C** **Am7**
I told you so. Oh I told you so. I told you someday you d come
D **G** **C** **G**
crawling back and asking me to take you in. I told you so.
D **C** **Am7** **D**
But you had to go. Now I found somebody new and you will never
G
break my heart in two again.

Verse

G **D**
If I got down on my knees and told you I was yours forever
C **D** **G**
Would you get down on yours too and take my hand?
C **G** **Em**
Would we get that old time feeling, would we laugh and talk for hours?
Am7 **D** **G**
The way we did when our love first began. Would you tell me that you missed
D **C** **D**
me too and that you d been so lonely and that you waited for the day
G **C** **G** **Em**
that I return. And we d live in love forever and that I m your one and only
Am7 **D**
Or would you say the tables finally turned?

Would you say:

Chorus

C **G** **D** **C** **Am7**
I told you so. Oh I told you so. I told you someday you'd come
D **G** **C** **G**
crawling back and asking me to take you in. I told you so.
D **C** **Am7** **D**
But you had to go. Now I found somebody new and you will never
G
break my heart in two again.
Am7 **D** **G**
Now I found somebody new and you will never break my heart in two again.
