Point of light

Schlitz/Schuyler sung by Randy Travis

E A E
1. There s a point when you cannot walk away
2. There s a darkness that everyone must face
3. There are heroes whose names we never hear

A E F#7 B
1. when you have to stand up straight and tall an mean the words you say
2. it wants to take what s good and fair and lay it all to waste
3. a dedicated army of quiet volun-teers

E A E
1. There s a point you must decide just to do it cause it s right
2. And that darkness covers everything in sight
3. reaching out to feed the hungry reaching out to save the land

C# B A B
1. that s when you be-come a point of light
2. until it meets a single point of light
3. reaching out to their fellow men.

E A E A A B
All it takes is a point of light a ray of hope in the dar-kest night.

E A E
If you see what s wrong and you try to make it right

A E B7 A
you will be a point of light.

**C#**                    **F#**                                    **B**                                    **F#**  
4. There are dreamers who are making dreams come true

**B**                                    **F#**                                    **G**                                    **C#**  
4. taking time to teach the children there s nothing they can t do.

**F#**                                    **B**                                    **F#**  
4. Giving shelter to the homeless giving hope to those without.

**D**                                    **C#**                                    **B**  
4. Isn t that what this land s all about.

**D**                                    **F#**                                    **B**  
4. One by one form the mountains to the sea points of light

**F#**                                    **G**                                    **C#**  
4. are calling out to you and me

**F#**                                    **B**                                    **F#**                                    **B**                                    **B**                                    **C#**  
All it takes is a point of light a ray of hope in the dar-kest night.

**F#**                                    **B**                                    **F#**  
If you see what s wrong and you try to make it right

**B**                    **F#**                    **C#7**                    **C#**  
you will be a point of light.
