

**B**                    **A**                    **D**                    **E**  
I m lookin for direction I can stick to

**B**                    **A**                    **D**                    **E**  
I m lookin for a path just like you

[Pre-Chorus]

**B**        **A**        **D**        **E**  
Navigator, navigator

**B**        **A**        **D**        **E**  
Navigator on my own (find my way)

[Chorus]

**B**        **A**        **D**        **E**  
I vs I vs I vs I (find my way)

**B**        **A**        **D**        **E**  
I vs I vs I vs I (find my way)

**B**        **A**        **D**        **E**  
I vs I vs I vs I (find my way)

**B**        **A**        **D**        **E**  
I vs I vs I vs I

[Post-Chorus]

**F#**        **C#**                    **G#**                    **B**  
Should I get in bed with you?

**F#**        **C#**                    **G#**                    **B**  
Should I get in bed with you?

[Outro]

**B**                    **A**                    **D**                    **E**  
Getting used to my own shoes (I vs I)

**B**                    **A**                    **D**                    **E**  
I get used to my own shoes (I vs I)

**B**                    **A**                    **D**                    **E**  
I get used to my own shoes (I vs I)

N.C.  
I get used to my own shoes
