

Let It Hurt
Rascal Flatts

Intro: **Am F C G** **Am F C** x2

G

7:42 in the morning

G **C**

8 seconds before it all sinks in

G

Put your best face on for the world

G **C**

Fake another smile and just pretend

Em **F**

But you re just puttin off the pain

Em **F**

Nothing s ever really gonna change

[Chorus:]

Am **F**

So let it hurt, let it bleed

C **G**

Let it take you right down to your knees

Am **F**

Let it burn to the worst degree

C **G**

May not be what you want, but it s what you need

F **G**

Sometimes the only way around it

C **G** **F** (let it ring)

Is to let love do it s work

Am F C G

And let it hurt

Am F C G

Yeah, let it hurt

3:28 in the morning

Countin up the spaces between the rain

You re gettin used to the rocks at the bottom

Your heart goes numb, but the lonely stays the same

And that s the price you re bound to pay

Em **F G**

And there s really nothing anyone can say

F **G**

Oh, there s only just one way

[Chorus:]

So let it hurt, let it bleed
Let it take you right down to your knees
Let it burn to the worst degree
May not be what you want, but it s what you need
Sometimes the only way around it
Is to let love do it s work

Fm

So go on

Am F C G

Yeah, let it hurt
