E	Esus

[Verse]

E **F#**
Sometimes it feels like this world is spinning faster
A2 **E**
Than it did in the old days

So naturally we have more natural disasters
A2 **E**
From the strain of a fast pace
E **F#**
Sunday was the day of rest
A2 **E**
Now its one more day for progress
E
And we can t slow down
F#
Cause more is best
A2 **E**
It s all an endless process

Well I miss Mayberry

Am D G
Sitting on the porch drinking ice cold Cherry --- Coke

Cadd9 D
Where everything is black & white

Picking on a Six String

Where people pass by and you call them by their first name

Watching the clouds roll by

[Verse]

Sometimes I can hear this old earth shouting
Through the trees as the wind blows
Thats when I climb up here on this mountain
To look through God s window

Now I can't fly
But I've got two feet
To get me high up here
Above the noise and city streets
My worries disappear

[Chorus]

G **C**
Well I miss Mayberry
Am **D** **G**
Sitting on the porch drinking ice cold Cherry --- Coke
Cadd9 **D**
Where everything is black & white

Where people pass by and you call them by their first name
C **D**
Watching the clouds roll by
D **E**

Sometimes I dream I'm driving down an old dirt road
A **D** **E**

But I always wake up everytime I try to turn back
