[Verse 2]

Someone told me after college

You ran off to Vegas

You married a rodeo cowboy

Wow, that ain t the girl I knew

Me I ve been a few places

Mostly here and there once or twice

Still sortin out life, but I m doing alright

Yeah, it s good to see you too

Hey girl, you re late

And those planes, they don t wait

But if you ever come back around

To this sleepy old town

Promise you ll stop in

To see an old friend

And until then...

[Chorus]

I wake up and tear drops

They fall down like rain

I put on that old song we danced to and then

I head off to my job

Guess not much has changed

Punch the clock

Head for home

Check the phone, just incase

Go to bed

Dream of you

That s what I m doing these

I wake up and tear drops

They fall down like rain

I put on that old song we danced to and then

I wake up and tear drops

They fall down like rain

I put on that old song we danced to and then

I wake up and tear drops
They fall down like rain
I put on that old song we danced to and then
