 G C
You must have been in a place so dark

You couldnâ€™t feel the light
 Em D Cadd9 G
Reaching for you through that stormy cloud

Now here we are gathered in our little home town

This canâ€™t be the way you meant to draw a crowd

[Chorus]

Oh why, thatâ€™s what I keep asking
 G D
Was there anything I could have said or done
 D C G
Oh I had no clue you were masking a troubled soul
 Dsus D Em D
God only knows what went wrong
 C G Am D G
and why youâ€™d leave the stage in the middle of a song

Now in my mind Iâ€™ll keep you frozen as a 17 year old

When you took the stage you shined just like the sun
