

**El Pico**

**Ratatat**

This is the opening keyboard riff. Feel free to email me about whatever you think should change.

The entire E string and the D string after the letter b make up of the bass line.

This is optional, but recommended =D

```
E--7-----7-----5-----5-----7-----7--8-----8--7-----7--5-----5-|
B-----8--8-----8-----5--7-----7-----8-----10-----8-----7---|
G---9-----9-----5-----7-----9-----11-----7-----7-----|
D-----9-----9-----9-----0-----0--5-----5--0-----0-|
A-----|
E--0-----8-7h8p7--5-----5-7-----7--0-----0-----|
                                                    b
```

Fingering chords then finger picking helps

```
E--7-----5-----7-----8-----7-----5-----|
B--8-----5-----7-----8-----10-----8-----7-----|
G--9-----5-----7-----9-----11-----7-----7-----|
D--9-----9-----9-----0-----5-----0-----|
A-----|
E--0-----5-----7-----0-----|
```
