Intro- **C-F-C-F**

Verse- **C-F-C-G**

I m so sick and tired, Truth is that I keep screwing up, Love never goes my way  
I leaned into kiss her, no why my lips hit her tongue, and her drink hit my face

**Am-F-Am-G**

I thought I d never see her again, but this girl could be more than a friend  
I had to find her and explain

**C-F-Am-G-F** X2

That when my heart goes bang bang it shuts down my body,  
Bang bang I act like a zombie that walks, and I can t control my brain,  
When my heart goes bang bang it means that I like you,  
Bang bang there s nothing I won t do for you, tell me you feel the same,

**C-F-C-F**

When it goes bang bang, and it goes bang bang, and it goes bang

**C-F-C-G**

I m so sick of trying, and there s no denying its, impossible to win  
Red blue and purple flowers, I stood on her porch for hours and then, I guess  
her address changed
