Song: Soluble Song

Refrain:

G **Cadd9** **D** **G**
I m glad that I m not soluble, that would be quite bad.
G **Cadd9** **D** **G** **Cadd9** **G**
I m glad that I m not soluble, that would make me sad (so sad).

Verse 1:

G **Cadd9** **D** **G**
If I found that I was soluble, it would be a pain.
G **Cadd9** **D** **G**
I couldn t go outside, you see, if it began to rain
G **Cadd9** **D** **G**
If I woke up soluble, I d have to shake and cower
G **Cadd9** **D** **G**
In abject terror every time that I walked past the shower.

(Refrain)

Verse2

G **Cadd9** **D** **G**
I d probably lose all my friends, for they would point and laugh
G **Cadd9** **D** **G**
At how I was quite terrified of going near a bath.
G **Cadd9** **D** **G**
I d hate find I m soluble, I d effervesce and bubble
G **Cadd9** **D** **G**
If accidentally one day I stepped into a puddle.

(Refrain)
