Where are all those tears coming from
Why are they falling?

somebody, somebody, somebody leave your heart in the cold

You just need somebody to hold on, baby

(Give me a chance)

To put back all the pieces

Take hold of your heart
Make it just like new
There s so many things that I can do

Is it your heart
Oh, that s breakin all in pieces
Makin you cry
Makin you feel blue
Is there anything that I can do

CHORUS: **G-Em-C9-D**

Tell me, tell me, tell me, tell me baby
Tell me, tell me, tell me, tell me
And I ll do my best to make it better
Yes, I ll do my best to make the tears all go away
Just tell me where it hurts
Now, tell me
And I love you with a love so tender
Oh, and if you let me stay
I ll love all of the hurt away
