```
Am
As I walk along
I wonder a-what went wrong
 F
With our love
A love that was so strong
And as I still walk by
I think of the times we ve had together
While our hearts were young
I m a walking in the rain
F#m
It s a-falling and I m feeling pain
Wishing you were here by me
F#m
To end this misery
 Α
I wonder
                F#m
I wa-wa-wa-wonder
Why
Α
Ah-why-why-why-why
F#m
She went away
Yes, I wonder where you will stay
            Α
                  D
