

How Could I Know
Raul Seixas

(intro) **G D C G D**

G

Reformulation, rearrange the

D

game you re in

Em

Let us start from the begin

B

With confidence you ll win

That s the reason you

F# D

were born

G

Cause Jesus Christ, man, won t

be coming

D

Back no more

Em

He set up his proper laws

B

And you know well that he did

just what

F# D

He should have done

G

As I was growing and my hair was

D

getting longer

Em

I was feeling so much stronger

B

I could carry my guitar, and I knew

F# D

That I could sing!!

G

C

G

But hey, how could I know?

C

G

D

The wind would blow with the rain

G

C

G

Hey, how could I see

C

G

What would they make

D D7

out of me?

G

When I was little, used to dream I

D
was a king

Em
Now they taught me how to sing

B
Think I've got most everything

F# D
I could ever ask for

G
You've got your pencil, your guitar,

D
Your amplifier

Em
Searching for the lousy liars

B
You will set this world on fire

F# D
Like Nero did to Rome!! Yeah!

G C G
But hey, how could I know

C G D
My eyes could see in the dark?

G C G
Hey, don't press on me

C G D D7
I'm not to blame can't you see?

G
It's been so long now

D
Since the latest red has gone

Em
Who knows you'll be the next

B
To go down in history...
