```
How Could I Know
Raul Seixas
```

(intro) G D C G D

G

Reformulation, rearrange the

Г

game you re in

F:m

Let us start from the begin

R

With confidence you ll win That s the reason you

F# D

were born

G

Cause Jesus Christ, man, won t be coming

D

Back no more

Em

He set up his proper laws

В

And you know well that he did just what

F# D

He should have done

G

As I was growing and my hair was

D

getting longer

F:m

I was feeling so much stronger

В

I could carry my guitar, and I knew

F# D

That I could sing!!

G C

g C

But hey, how could I know?

The wind would blow with the rain

Hey, how could I see

ney, now coura i be

C G

What would they make

ע ע

out of me?

G

When I was little, used to dream I

```
D
```

was a king

Em

Now they taught me how to sing

E

Think I ve got most everything

F# D

I could ever ask for

G

You ve got your pencil, your guitar,

D

Your amplifier

F:m

Searching for the lousy liars

В

You will set this world on fire

F# I

Like Nero did to Rome!! Yeah!

G C

C

But hey, how could I know

: G

Γ

My eyes could see in the dark?

G C

G

Hey, don t press on me

C

D7

I m not to blame can t you see?

G

It s been so long now

D

Since the latest red has gone

Em

Who knows you ll be the next

В

To go down in history...
