Who s gonna cry?

Α

Who s gonna stay?

E

Who s gonna laugh

A A4 A

Going my way?

E A

For the magic train s a-comin

E A

Look, it s drawin into the station

E A

All the livin are within

E7 A D E

The chosen ones in this nation... in this nation

```
Look, look the sky
It is not the one sky that you knew
Can t you fathom the why?
Look, see the sky
        Α4
See the clouds that are blowing
A | -glowing, cant you hear the sign
Listen, here s the sign
As it grows into trumpets
Beasts and strumpets! Come, try!
God in the sky
Skimming clouds of the atom
Come angels and anthem - Oh my!
Look at the evil
Kissing good and both bowing
                             F#m
And sewing their way for the train, train...
A... men...
```
