

White Wings  
Raul Seixas

(intro) **G D C G**

**G**  
When I stare the ground of  
**C**  
my land

**G D G**  
Burning loose as dancing flames  
I asked man there upon  
**C**  
the heavens

**D G**  
If I deserve me this kind of pain  
I asked the man there upon  
**C**  
the heavens

**D G**  
If I deserve me this kind of pain  
**C**  
Everywhere the ground is so dry  
**G D G**  
There s no trees, no green, just red

**C**  
I lost my cattle, my apaloosa  
**D G**  
For lack of water some took away  
**G7 C**  
I lost my cattle, my apaloosa  
**D G**  
For lack of water some took away  
**G C**  
Even white winged birds flew away

**G D G**  
Flew away from my land sight  
It was when I said goodbye

**C**  
sweet Rosie  
**D**  
Keep in to your heart, this heart  
**G**  
of mine

**G7**  
It was when I said goodbye  
**C**  
sweet Rosie

**D**

Keep in to your heart, this heart

**G**

of mine

(solo) (**G C G D G**)

**G**

So I ll be back thou home again

**G7**

**C**

I keep on waiting rain falls again there

**D**

**G**

So I ll be back thou home again

**C**

When the glow green of your eyes

**G**

**D**

**G**

Flows again all over land

**G7**

I can assure you, so don t

**C**

you cry, no

**D**

Cause I ll be back, see

**G**

To you again!!

**G7**

I can assure you, so don t

**C**

you cry, no

Cause I ll be back, see

**G**

To you again!!
