Sleeping side by side

Our fingers intertwined

We never seem to find the right things to say

When we are awake

I can not close your eyes

We be up so high

As if we re trying to hide

E7
The things we ll never find out
E9 Dmaj7 F#m
Wish you would say

A Amaj7 E7
That we ll be okay

Our stomachs not in knots no more
A **E7** **E9**
Maybe I m not everything you got no more
Dmaj7 **F#m** **A** **Amaj7** **E7** **E9** **Dmaj7**
I used to listen to your heartbeat while you re dreaming softly
F#m **A** **E7** **E9** **Dmaj7**
I wish you would have told me that you do not know me
F#m **A** **Amaj7** **E7** **E9**
I wish you would have spoke before our fingers broke

Dmaj7 **F#m** **A**
10:30p.m. your dreaming begins
E7 **E9** **Dmaj7**
With no worries and stories of life way back when
F#m **A**
When your sister would kiss you and tell you she miss you
Amaj7 **E7** **E9** **N.C.**
I m sorry, I m sorry that that had to end

[Bridge]

Dmaj7 **E** **C#m**
11:30 you re speaking slowly
D
You say you re lonely
Dmaj7 **E**
You say you wish that you could hold me
C#m **D**
If I would not pretend that I needed him
Dmaj7 **E**
12 oh 10 if we would not pretend that we could be friends
C#m **D** **Dmaj7** **E**
But 11 if you would not extend your beautiful hand to touch me
C#m **D** **Dmaj7**
1:30 you re so so lucky that I do not trust me
E **C#m**
You only speak with your hands
D **Dmaj7**
So tell me how do I understand
E **C#m**
How do I understand
D **Dmaj7**
But can can can (can, can can can)
E **C#m** **D** **Dmaj7**
But can we, can we, can we be like children
E
Speaking right to me
