

I Believe To My Soul
Ray Charles

Ebm

One of these days
And it won't be long

Ebm

You're gonna look for me

Abm

And I'll be gone
Cause I believe
(I believe, yes I believe)

Ebm

I say I believe right now
(I believe, yes I believe)

B Bb

Well I believe to my soul now
You're tryin'
To make a fool of me

Ebm

(I believe it, I believe it)

Ebm

Well you're goin' round here
With your head so hard

Ebm

I think
I'm gonna have to use my rod

Abm

Cause I believe
(I believe, yes I believe)

Ebm

I say I believe right now
(I believe, yes I believe)

B Bb

Well I believe to my soul now
You're tryin'
To make a fool of me

Ebm

(I believe it, I believe it)

Ebm

Last night
You were dreaming
And I heard you say

Ebm

Oh, Johnny
When you know my name is Ray
That's why

Abm

I believe right now
(I believe, yes I believe)

Ebm

I say I believe right now
(I believe, yes I believe)

B Bb

Well I believe to my soul now
You re tryin
To make a fool of me

Ebm

(I believe it)
