

**One Wish**

**Ray J**

Same chords through the whole song.

[Intro]

**Am F C G**

[Verse 1]

**Am** As a matter of fact I was the one who said I love you first  
**F**

**C** It was about eight years ago, don t act like you don t know  
**G** We were sittin at home in your mama s livin room  
Cause, we couldn t be alone

See your mama knew I was something else, she knew how I felt  
Back then we were in school; and that s your favourite excuse  
Growin up I was a fool; and I can t lie I m missing you  
Listen and don t trip  
I think I need a bottle with a genie in it  
Here s my wish list

[Pre-Chorus]

First one, I would create a heart changing love  
Second one, I ll take yours and fill it all up  
Third one, but I donâ€™t need a lot of wishes cause Iâ€™ll be okay if I get one

[Chorus]

If I had one wish, we would be best friends  
Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I ll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, Iâ€™d make you my whole life  
And youâ€™d be my wife, make it right this time

If I had one wish  
One wish, one wish, one wish

[Verse 2]

Now tell me is this the only way I can get you right back in  
If so then searchin Iâ€™ll go, then I can have you for sho  
Then youâ€™ll be loving me, holding me, kissing me  
So girl donâ€™t tell me what Iâ€™m feeling is make believe  
I swear if I lose a second chance with you

I wouldn't know what to do  
I'd probably check myself into some kind of clinic  
I couldn't be alone because without you I'm sick  
Here's my wish list

[Pre-Chorus]

First one, I would create a heart changing love  
Second one, I'll take yours and fill it all up  
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

[Chorus]

If I had one wish, we would be best friends  
Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I'll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, I'd make you my whole life  
And you'd be my wife, make it right this time  
If I had one wish

I don't even know how we ended upon this road  
And, even though we are grown, Girl I just want you to know

If I had one wish, we would be best friends  
Love would never end, it would just begin  
If I had one wish, you would be my boo  
Promise to love you, trust me I'll trust you  
If I had one wish, we would run away  
Making love all day, have us a baby  
If I had one wish, I'd make you my whole life  
And you'd be my wife, make it right this time
