[Verse 1]

Bbm

As a matter of fact I was the one who said I love you first

C#

G#

It was about eight years ago, don t act like you don t know

We were sittin at home in your mama s livin room

Cause, we couldn t be alone

See your mama knew I was something else, she knew how I felt

Back then we were in school; and that s your favourite excuse

Growin up I was a fool; and I can t lie I m missing you

Listen and don t trip

I think I need a bottle with a genie in it

Here s my wish list

[Pre-Chorus]

First one, I would create a heart changing love

Second one, I ll take yours and fill it all up

Third one, but I donâ€™t need a lot of wishes cause Iâ€™ll be okay if I get one

[Chorus]

If I had one wish, we would be best friends

Love would never end, it would just begin

If I had one wish, you would be my boo

Promise to love you, trust me I ll trust you

If I had one wish, we would run away

Making love all day, have us a baby

If I had one wish, Iâ€™d make you my whole life

And youâ€™d be my wife, make it right this time

If I had one wish

One wish, one wish, one wish

One wish, one wish, one wish

One wish, one wish, one wish

One wish, one wish, one wish

[Verse 2]

Now tell me is this the only way I can get you right back in

If so then searchin Iâ€™ll go, then I can have you for sho

Then youâ€™ll be loving me, holding me, kissing me

So girl donâ€™t tell me what Iâ€™m feeling is make believe

I swear if I lose a second chance with you

I wouldn't know what to do
I'd probably check myself into some kind of clinic
I couldn't be alone because without you I'm sick
Here's my wish list

[Pre-Chorus]

First one, I would create a heart changing love
Second one, I'll take yours and fill it all up
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

[Chorus]

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
If I had one wish

I don't even know how we ended upon this road
And, even though we are grown, Girl I just want you to know

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
