

One Wish

Ray J

Same chords through the whole song.

[Intro]

Bm G D A

[Verse 1]

Bm As a matter of fact I was the one who said I love you first
G

D It was about eight years ago, don't act like you don't know
A We were sittin' at home in your mama's livin' room
Cause, we couldn't be alone

See your mama knew I was something else, she knew how I felt
Back then we were in school; and that's your favourite excuse
Growin' up I was a fool; and I can't lie I'm missing you
Listen and don't trip
I think I need a bottle with a genie in it
Here's my wish list

[Pre-Chorus]

First one, I would create a heart changing love
Second one, I'll take yours and fill it all up
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

[Chorus]

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time

If I had one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish
One wish, one wish, one wish

[Verse 2]

Now tell me is this the only way I can get you right back in
If so then searchin' I'll go, then I can have you for sho
Then you'll be loving me, holding me, kissing me
So girl don't tell me what I'm feeling is make believe
I swear if I lose a second chance with you

I wouldn't know what to do
I'd probably check myself into some kind of clinic
I couldn't be alone because without you I'm sick
Here's my wish list

[Pre-Chorus]

First one, I would create a heart changing love
Second one, I'll take yours and fill it all up
Third one, but I don't need a lot of wishes cause I'll be okay if I get one

[Chorus]

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
If I had one wish

I don't even know how we ended upon this road
And, even though we are grown, Girl I just want you to know

If I had one wish, we would be best friends
Love would never end, it would just begin
If I had one wish, you would be my boo
Promise to love you, trust me I'll trust you
If I had one wish, we would run away
Making love all day, have us a baby
If I had one wish, I'd make you my whole life
And you'd be my wife, make it right this time
