Lead Me On

Green Record Demo

Tabbed By Dave Hamilton

G D Em C - throughout the whole song with the Dsus added during the chorus

you told me sun was shinin
you told me sky was blue
how was i to know
you re lyin
i never should have
put my trust in you

cause you lead me on
and all i really wanna do
is follow you

yes, you lead me on
and all i really wanna do
is follow you
yes you know it s true

nothin you say to no one
nothin to say to you
go on your way
with someone
go on your way
with someone new

cause you lead me on
and all i really wanna do
is follow you
yes you know it s true baby
lead me on
and all i really wanna do
is follow you
and so i do

End with a **G**
